# The Woman Behind *the Influence*

*Founder. Strategist. Teacher. Builder.*

**T**iwangi Rochelle is a Kingdom woman, entrepreneur, founder, strategist, mentor, writer, advocate, and visionary leader, whose life sits at the intersection of faith, femininity, family, business, leadership, and service.

Her gift is translation. She gives vision a form: ideas become organizations, convictions become programs, and compassion becomes initiatives with structure, sustainability, and meaningful impact.

Her personal journey is part of her authority. It deepens her empathy and sharpens her strategy, but it does not define the totality of who she is.

*“A builder of organizations. A developer of women. A teacher of truth.”*
